POLL: Which OH-SS meeting time is most convenient for you?

OH-SS Communication Platform

Lisa M. Webb, D.Psy, MPH, MBA
Co-Chair
One Health and Social Sciences

Flock platform for group communications
- **Entire OH-SS group**
- **OH-SS Subgroups**
  - **Project/Goal specific oriented groups**

Example: OH-SS Initiative → Communications subgroup → Presentation/slide deck development

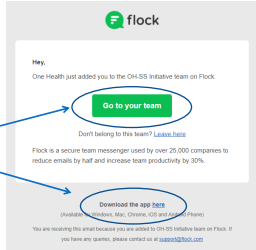
Flock vs. Slack comparison found here: https://youtu.be/37azf_jBdEQ

OH-SS Communication Platform

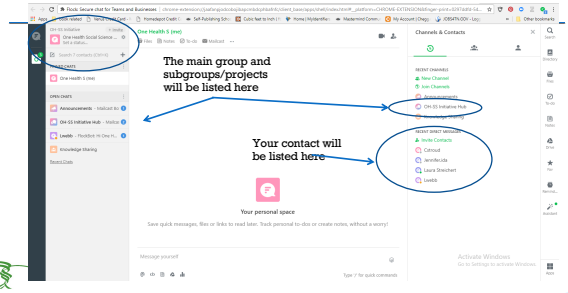
Email will be sent to join the OH-SS Flock organization to the email address we have on file

Click the green box "go to your team" to join the OH-SS Initiative Flock Team.

There may be a prompt to "download the app" when you click the green box. Download is required but is much smaller than other communication platforms



OH-SS Communication Platform

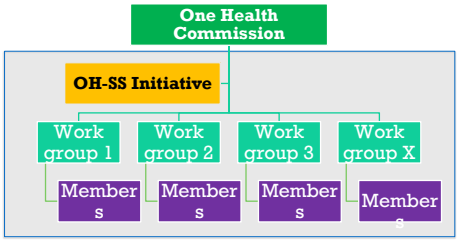


Flock Real time Demo

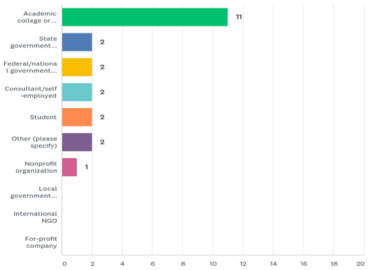
2018 OH-SS Survey of Work Group Interest

- OH-SS Survey
  - 22 Respondents
  - Snapshot of collective expertise and interests of the group
  - Baseline data for effectiveness of OH-SS initiative

OH-SS Organizational Structure



What is your primary work sector?



In which professional disciplines do you work? (Please mark all that apply.)

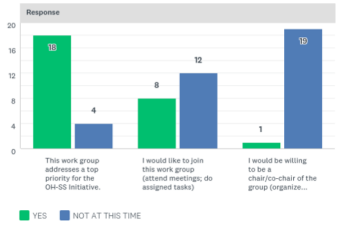
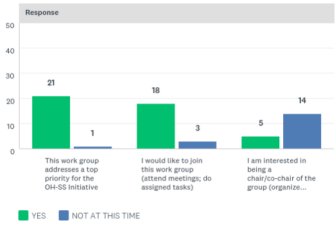
OH-SS WORK GROUP: Collaboration on RICOHA project in India
Convergence model for One Health approach

Exploring opportunities for control and management on zoonotic diseases of public health importance in Ahmedabad, India. Investigators: Sandul Yasobant MPH (Germany, India), Walter Bruchhausen MD PhD (Germany), Timo Falkenberg PhD (Germany), Deepak Saxena MD PhD (India); Duration: June 2018- June 2020.



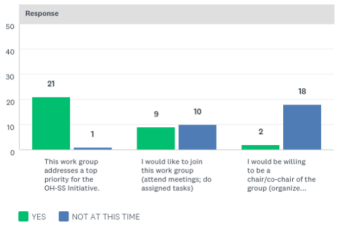
OH-SS WORK GROUP: OH-SS Publications

Develop and submit brief reports or review articles (i.e. letter to an editor, editorial or commentary, review article); Prepare and submit abstracts for upcoming conference poster or oral sessions (i.e. university seminars, local community events, national or international conferences).



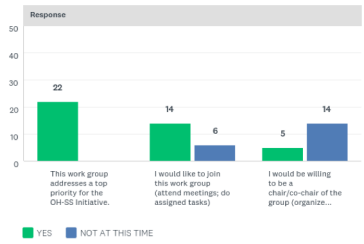
OH-SS WORK GROUP: OH-SS conference session

Project underway: Organization of a session on social science/transdisciplinarity at the "Creating impact for One Health and Ecohealth: advancements in implementation, evaluation, and governance" conference in Bologna, Italy; Initial session proposal submitted by Séverine Thys, Hans Keune, and Aurélie Binot. May also discuss other conference presentations.



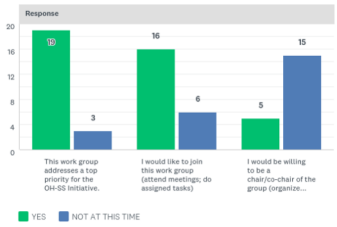
OH-SS WORK GROUP: Global One Health Ambassador Program

Identify ambassadors in a multitude of countries and work to further integrate OH into government structures.



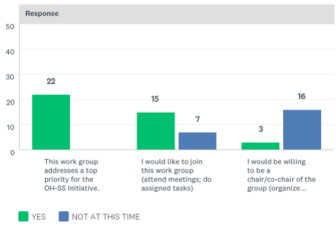
OH-SS WORK GROUP: Research survey

Develop a questionnaire to assess perspectives held within veterinary and other health institutions regarding the social sciences and how best to encourage integration of social science methodologies within teaching curriculums.



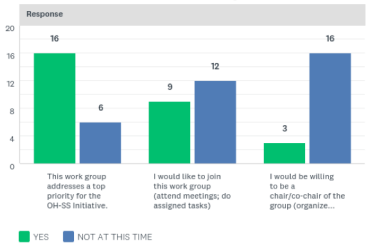
OH-SS WORK GROUP: Map OH-SS actors

Development of map to understand connections of different social science stakeholders and their current involvement in One Health; develop publication.



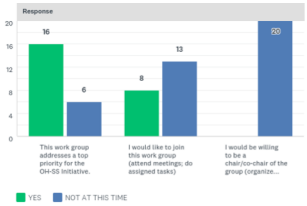
OH-SS WORK GROUP: TEDx type presentation or YouTube channel

Development of avenue to reach virtual audience through OH-SS stories.



OH-SS WORK GROUP: OHCEA Gender and One Health

Project Investigators: Brigitte Bagnol and Hellen Amugauni. One Health Central and Eastern Africa (OHCEA) is an international network of twelve public health, ten veterinary higher education institutions, one institute of environmental sciences and one pathobiology institute located in 16 universities in 8 countries in Eastern, Central and Western African region



Summary of Results

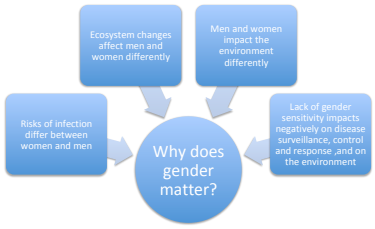
	OH-SS WORK GROUP	Priority (%)	Join (#)	Co-chairs
1	Global OH Ambassador Program	100	14	Nicolas Antoine-Moussiaux, Krpasha Govindasamy
2	Map OH-SS Actors	100	15	Bernardo Moreno Peniche, Helena Chapman
3	OH-SS Publications	95	18	Helena Chapman, Victor del Rio Vilas
4	Conference sessions	95	9	Séverine Thys, Hans Keune, and Aurélie Binot
5	Research survey	86	16	Aisha Nankanja, Tayo Babalobi, Wendy Rib
6	RICOHA project in India	82	8	Sandul Yasobant
7	TEDx type talks	73	9	Noore Alam
8	Gender and OH	73	8	Brigitte Bagnol, Janetrix Amuguni

Other topics suggested:

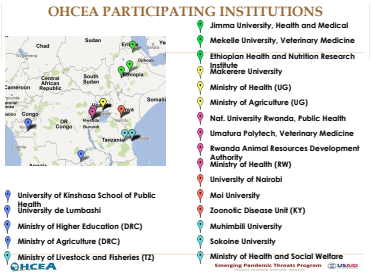
- Zooeyia - the health benefits of companion and other animals in human lives
- OH-SS Work Group-Latin America
- Social impact of emergent highly pathogenic pandemic avian influenza

Gender and One Health Project

Brigitte Bagnol and Janetrix Amuguni



Gender and One Health Project



Database Project – Robert Blew

Summary of Results

	OH-SS WORK GROUP	Priority (%)	Join (#)	Co-chairs
1	Global OH Ambassador Program	100	14	Nicolas Antoine-Moussiaux, Krpasha Govindasamy
2	Map OH-SS Actors	100	15	Bernardo Moreno Peniche, Helena Chapman
3	OH-SS Publications.	95	18	Helena Chapman, Victor del Rio Vilas
4	Conference sessions	95	9	Séverine Thys, Hans Keune, and Aurélie Binot
5	Research survey	86	16	Aisha Nankanja, Tayo Babalobi, Wendy Rib
6	RICOHA project in India	82	8	Sandul Yasobant
7	TEDx type talks	73	9	Noore Alam
8	Gender and OH	73	8	Brigitte Bagnol, Janetrix Amuguni

Other topics suggested:

- Zooeyia - the health benefits of companion and other animals in human lives
- OH-SS Work Group-Latin America
- Social impact of emergent highly pathogenic pandemic avian influenza

Work Group Next Steps

OH-SS shares names with Work Group Chairs → **Work Group Chairs** connect to plan FIRST STEPs → **Work Group Chairs** contact members → 1st Work Group Meeting → Report back to OH-SS group

Open Discussion: Which work groups should we focus on first?

Work group divergence

	OH-SS WORK GROUP	Priority (%)	Join (#)	Co-chairs
1	Global OH Ambassador Program	100	14	Nicolas Antoine-Moussiaux, Krpasha Govindasamy
2	Map OH-SS Actors	100	15	Bernardo Moreno Peniche, Helena Chapman
3	OH-SS Publications.	95	18	Helena Chapman, Victor del Rio Vilas
4	Conference sessions	95	9	Séverine Thys, Hans Keune, and Aurélie Binot
5	Research survey	86	16	Aisha Nankanja, Tayo Babalobi, Wendy Rib
6	RICOHA project in India	82	8	Sandul Yasobant
7	TEDx type talks	73	9	Noore Alam

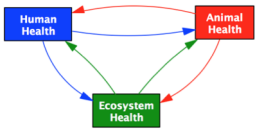
Others?

Work group convergence

- ***Consider:***
  - Alignment
  - Leadership
  - Goals
  - Resources
  - Timing
  - Group Priority
  - Other factors?

Next Steps

- NO Meeting in April
- Next meeting:
  - **May 7, 2018**, 10:00-11:00 am EDT (UTC-4)
- Join Work group channels on Flock
- Look for message from work group chair(s)



One Health:
A Case Study for Complex System Approaches to Advance Global Health
