

One Health Commission  
World Health Through Collaboration

---

**David Schad**  
**Director**  
**Division of Fish and Wildlife**  
**Minnesota Department of Natural Resources**

Dave Schad, Minnesota's Fish and Wildlife Director, has worked his entire career for the Minnesota Department of Natural Resources. He has extensive experience with waterfowl, wetland, forest, and big game management programs. He has also served in area and regional wildlife positions, and was previously the state's Wildlife Chief before being appointed the Division Director in January, 2006. He has a B.S. in Wildlife Management from the University of Minnesota, and currently chairs the Lead and Fish and Wildlife Health for the Association of Fish and Wildlife Agencies, and is a member of the National Fish and Wildlife Health Steering Committee.
