### Propose your discussion session or workshop!

We offer participants the opportunity to **host a parallel discussion session or a workshop** on the first or second days of the conference (10<sup>th</sup> and 11<sup>th</sup> of September, marked in blue font above).

If you have any questions or wish to host such a discussion session or workshop in line with the conference themes, please send your proposal with the topic, (co-)organisers and desired format of your session (presentations, discussion, dialogue-workshop, focus group, etc) by **February 8<sup>th</sup> 2018** to the contacts indicated below.

#### Conference themes:

- The policy cycle and the evaluation of One Health and EcoHealth initiatives;
- Knowledge integration and governance of One Health and EcoHealth;
- Examples of One Health implementation at the institutional level, needs, barriers and success factors;
- Collaboration between science and practice: a continuous interdisciplinary and intersectoral process.

#### Contacts:

- Maurizio Aragrande (maurizio.aragrande@unibo.it);
- Massimo Canali (massimo.canali2@unibo.it).
