https://www.sympla.com.br/ii-simposio-paranaense-de-saude-unica---combate-a-resistencia-aos-antimicrobianos__379216?fbclid=IwAR2d6FrbemJ8dsOyo-v2pCW01f2psrfBBqOA3BYwnSfHq9U9yUdlzcn6JBE#info

7. Brief History of Your Organization's One Health Involvement

We are an organization with students and veterinary professors. We have already had some events as symposiums and we also have involvement with social actions. In addition we have fortnightly meetings to discuss matters related to one health and also we have a scientific research group with focus on antimicrobial resistance.

8. Supporting Faculty

Pontifícia Universidade Católica do Paraná (PUCPR)
