## **7. Brief History of Your Organization's One Health Involvement**

The One Health International Association of Nanjing Agriculture University was founded in 2014 by a group of undergraduates who went to the University of California, Davis for a short visit. Our association is now made up of students from different grades and a variety of majors including veterinary medicine, environmental science, business, etc. We focus on promoting interdisciplinary efforts, as well as popularizing One Health concept through both offline promotion and online publicity with a goal of making a difference for a better world.

## **8. Supporting Faculty**

**BENNIE I. OSBURN** DVM, PhD, Dipl. ACVP

Dean Emeritus, School of Veterinary Medicine, UC Davis, Director of Outreach and Training, Western Institute for Food Safety and Security, UC Davis

**CHRIS BRUNNER**

Communications and International Programs Director, Western Institute for Food Safety and Security, UC Davis

## **9. Additional Information**

The One Health International Association embodies countless efforts and thoughts of many undergraduates and graduates at Nanjing Agriculture University. Our association gathered a group of magnificent students who have a great passion for One Health concept and are willing to make a difference for a better world. We would like to share powerful messages related to One Health with people the world over.
