1. Organization/ Group Name and website url, Facebook, Twitter:

St. George's University SCAVMA Veterinary Public Health Committee (VPH)

<https://www.facebook.com/SGU-Veterinary-Public-Health-Committee-100752990272122/timeline/>

St. George's University One Health One Medicine Movement (OHOMM)

<https://www.facebook.com/SGUOHOM?fref=ts>

2. Officers / Key Collaborators / Participants and contact information (Email address, Telephone, and if they agree to share contact information on this posting in case One Health stakeholders want to contact them)

VPH Head advisor: Wayne Sylvester, DVM (wsylvester@sgu.edu)

VPH Current Chair: Sarah Addison, DVM/MPH Candidate 2016 (saddison@sgu.edu)

VPH Upcoming Chair: Ailin Corella, DVM Candidate 2017 (acorella@sgu.edu)

VPH Member: Amelia Roos, DVM Candidate 2018 (aroos@sgu.edu)

VPH Member: Julia Martin, DVM Candidate 2018 (jmartin6@sgu.edu)

OHOMM President: Anastasia Lucignani, DVM Candidate 2019

3. Address of SOH Group

<https://www.facebook.com/groups/studentsforonehealth/>

4. Sources of funding for Group

SCAVMA donation, personal fundraising

5. Your One Health Activities/Initiatives

The Veterinary Public Health Committee plans, organizes and funds One Health One Medicine clinics in conjunction with the SGU School of Medicine. We make it possible for veterinary students to conduct physical exams, vaccinations and deworm small and large

animal patients while also educating the owners about proper care, husbandry and zoonotic concerns relevant to the area.

Title/description of program:

One Health One Medicine clinics – Free healthcare clinics for the human and animal population of various communities throughout the country of Grenada. Open to medical and veterinary students from St. George’s University. Held 2-3 times per semester.

Contact person’s name and email:

Refer to #2 above – advisor, chair, or members are appropriate contacts.

6. Brief History of Your Organization’s One Health Involvement

We are in a unique position at St. George’s University, as we have medical, veterinary, and public health schools on a shared campus on the island of Grenada. The ability to pursue a joint mission in the health and education of the human and animal population of Grenada is of paramount importance and our driving force in the One Health One Medicine endeavor.

7. Supporting Faculty

Dr. Wayne Sylvester, Dr. Inga Karasek, Dr. Marta Perea, Dr. Tara Paterson, Dr. Keith

Kalasi

8. Additional Information

Making the One Health One Medicine clinics accessible to all veterinary, medical and public health students that want to participate is of concern. As St. George’s University is in a unique position to make the One Health One Medicine concept a well practiced reality from which the communities of Grenada may benefit, we are in constant need of resources. For the success of our clinics, we depend on any funding that we may acquire and hope that various organizations will be able to assist us in continuing our mission in One Health.
