

Who's Who in One Health

1. Organization/ Group Name and website url:

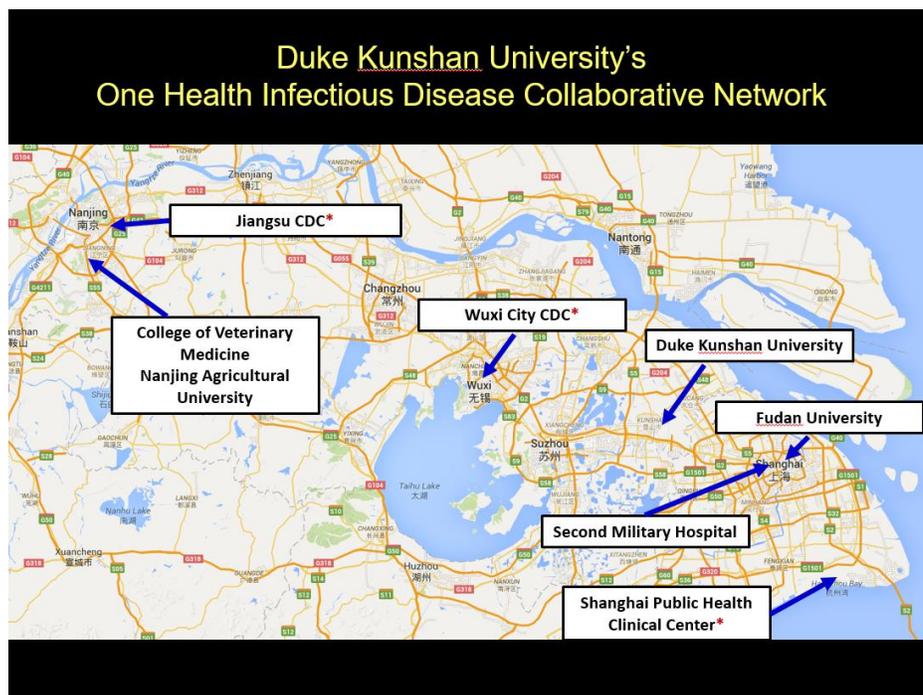

Duke Kunshan University, China

<https://dukekunshan.edu.cn/>

2. Description and Scope of One Health Activities

In January 2016, Duke Kunshan University established a new emerging infectious disease research thrust area under its Global Health Center. This research thrust area will employ One Health approaches in responding to emerging infectious problems that impact China. Research efforts will be led by Professor Gregory Gray, MD, MPH, Chee-Ruey Hsieh, PhD, and postdoctoral fellow Qianli Wang, PhD.

In building this new research thrust area, Duke Kunshan University will partner with Duke University (<http://sites.globalhealth.duke.edu/dukeonehealth/>) and other research institutions near Kunshan: Fudan University, Second Military Medical University, College of Veterinary Medicine Nanjing Agricultural University, Wuxi City CDC, Jiangsu CDC and Shanghai Public Health Clinical Center.

3. Key Collaborators / Participants and contact information

Professor Gregory Gray, MD, MPH (Gregory.gray@duke.edu)

Professor Chee-Ruey, Hsieh, PhD

Qianli Wang, PhD

4. Type of Organization

Academic Institution

5. Address of Organization/ Group

Professor Gregory Gray, No. 8 Duke Avenue, Kunshan, Jiangsu, China 215316

6. Sources of funding for Organization/Group

Duke Kunshan University

Duke University
