

Who's Who in One Health

One Health Academy Washington, DC

1. Organization/ Group Name

One Health Academy

2. Description and Scope of One Health Activities

One Health Academy – advancing One Health through motivating, mentoring, and networking.

Definition: A worldwide strategy that promotes interdisciplinary collaboration among veterinary medicine, human medicine, agricultural communities, and ecology with the goal of promoting public health, as well as environmental, food, agricultural, and economic protection.

Founded in 2006, the One Health Academy is a Washington, DC-based monthly gathering of health professionals interested in dialogue, learning and social engagement. By holding monthly events, One Health Academy promotes learning and collaboration through networking, educational presentations, discussion, and mentoring. The group provides a unique opportunity for federal, non-profit, clinical, and private industry leaders to learn together.

Scope: Local but draws about the confluence of many leaders in the DC area around One Health.
