

## “Who’s Who in One Health”

### 1. Organization Name

UC Davis One Health Institute [www.evotis.org](http://www.evotis.org)

### 2. Narrative Description

The One Health Institute is active all over the world, working at the interface of animals, people and the environment to solve complex problems that impact health and conservation. The Institute grew out of the UC Davis School of Veterinary Medicine’s deep commitment to the One Health approach and is home to the well-established Wildlife Health Center.

Under Executive Director Dr. Jonna Mazet, DVM, MPVM, PhD, our scientists and educators provide innovation and leadership to UC Davis, the UC system, state and federal agencies and to partners all over the world.

### 3. Purpose

Working at the interface of animals, people and the environment to solve complex problems that impact health and conservation.
