

Who's Who in One Health

One Health Collaborating Center Universitas Gadjah Mada

1. Organization/ Group Name and website url:

One Health Collaborating Center Universitas Gadjah Mada (OHCC UGM), Indonesia

<http://onehealthwg.web.ugm.ac.id/>

2. Description and Scope of One Health Activities

One Health /Eco Health UGM was established in the early 2011 with the members from 10 faculties within UGM. In order to institutionalize OH within and across universities, faculties and departments, this center accommodates a trans disciplinary approach to bring together the expertise of human and animal health, social, economics, geography, and ecology to support the efforts achieving sustainable improvements in health, human well-being, and prosperity through research, capacity building and community empowerment in Indonesia. Furthermore, in October 2015, this center become One Health Collaborating Center (OHCC) under the decree of University Rector and supported by Indonesia One Health University Network (INDOHUN).

Organization Vision: Fostering sustainable trans-disciplinary capacity building to respond the emerging and re-emerging infectious diseases.

Organization Mission:

- a. Improving human and animal health through capacity building on One Health/Eco Health.
- b. Leverage the training, education, and research capacities of the university network to improve the skills, knowledge and attitude based on One Health/EcoHealth leaders.
- c. Developing education, research, and community outreach of the universities network to build the competencies for One Health/Eco Health leaders.

Telephone: +62 81393721700

4. Type of Organization

Governmental Organization

5. Address of Organization/ Group

Gedung PAU UGM, Lantai 1 Sayap Barat Sisi Selatan, Jalan Teknik Utara, Berek, Sleman, Yogyakarta 55281

6. Sources of funding for Organization/Group

Universitas Gadjah Mada and INDOHUN/USAID

7. One Health Course/Certificate/Training Offered by Organization or Group

- a. Title of Course/Certificate/Training: Rapid Diagnostic Test (RDT) Training
Contact person's name and email: Prof. Dr. Wayan Tunas Artama, onehealth.wg@ugm.ac.id
Link to informational web page: <http://onehealthwg.web.ugm.ac.id/program-and-activities/>
- b. Title of Course/Certificate/Training: One Health-Systems Mapping and Analysis Resource Toolkit (OH-SMART) Training
Contact person's name and email: Prof. Dr. Wayan Tunas Artama, onehealth.wg@ugm.ac.id
Link to informational web page: <http://onehealthwg.web.ugm.ac.id/program-and-activities/>
- c. Title of Course/Certificate/Training: Comodo Summer Course
Contact person's name and email: Prof. Dr. Wayan Tunas Artama, onehealth.wg@ugm.ac.id
Link to informational web page: <http://onehealthwg.web.ugm.ac.id/program-and-activities/>

8. Other One Health Activities/Initiatives

Title/description of program: Community Outreach and One Health workshop

Contact person's name and email: Prof. Dr. Wayan Tunas Artama, onehealth.wg@ugm.ac.id

Link to program informational web page: <http://onehealthwg.web.ugm.ac.id/program-and-activities/>

9. Brief History of Your Organization's One Health Involvement

a. RESEARCH

- MDR TB (PUPT RISTEKDIKTI)
- Cryptosporidium and Giardia (PTP RISTEKDIKTI & BIOTROP SEAMEO)
- Bacterial in mouth of Komodo Dragons – Join Research (SATREPS)
- Zoonotic Diseases Mapping
- Impact of pesticide use in plant pest and disease management for food security
- Food safety related to chemical use in food production and processing
- Spatial Analyses and mapping of Toxoplasmosis in Indonesia based on one health approach

b. CAPACITY BUILDING

- Training (Laboratory & Technology)
- Seminar (National and International)
- Workshop (PODD & Wildlife)
- Summer Course on Komodo & Wildlife
- General Lecture
- Publication (Conference Paper, Journal, Article, Book, Company Profile, Website)

c. COMMUNITY EMPOWERMENT

- Community Outreach One Health (Student Service Activities)
- Community Empowerment – Desa Mitra

10. Additional Information
