

One Health Commission

Connect - Create - Educate

The One Health Commission is a prominent, international body of unified, action-oriented, One Health-minded individuals and organizations. It is a conduit for the active exchange of One Health related knowledge, sharing of resources and collaborative projects that reach beyond disciplinary boundaries.

Individual Sponsors are 'Persons' who wish to personally financially support the work of the Commission. Individual Sponsors donating at the 'Leader' level may, if desired, be automatically nominated, pending Board approval, to serve, on the [OHC Council of Advisors](#) (COA).

'All' Individual Sponsors who have donated within the previous twelve months, regardless of donation level, will be eligible to vote in elections of members for the Board of Directors nominated from the Council of Sponsors.

Note: No financial donation is required to become active on any [One Health Action Team](#).
