

One Health Commission

Connect - Create - Educate

The One Health Commission is a prominent, international body of unified, action-oriented, One Health-minded individuals and organizations. It is a conduit for the active exchange of One Health related knowledge, sharing of resources and collaborative projects that reach beyond disciplinary boundaries.

Goals:

- **Connect** One Health Stakeholders
- **Create** Strategic Networks / Partnerships
- **Educate** about One Health issues to support a paradigm shift in information sharing, active health interventions, collaborations, and demonstration projects

Outcomes:

- Increased Interdisciplinary Programs/Networks/ Teams
- Increased Information Sharing/Networking
- Improved Disease Prevention/Interventions
- Improved Approaches to Therapy
- Improved Public Health
- Improved Environmental and Plant Health
- More focused research on One Health issues

***Not a new concept....however....
A New Professional Imperative!!***
