

OHC One Health ACTION TEAMS

We invite *YOU* to become **ACTIVE** in
the One Health Community

We believe that One Health ‘can’ become the default way of doing business when individuals and groups from around the world work together in organized team efforts. Bring ‘your’ energy, expertise and passion for One Health to an OHC ‘ACTION’ Team to help make a difference for global public health and, ultimately, the health of our planet. All teams are overseen by OHC staff with guidance provided by members of the Board of Directors as appropriate. Team leaders are selected from among those who step forward to get involved in long-term team efforts. Contact your team of interest or cstroud@onehealthcommission.org for more information and to explore these One Health ‘Action’ opportunities.

Current Action Teams:

OHC [Bat Rabies Education Team](#) (BRET)

batrabies@onehealthcommission.org
